

implications for federalism to warrant the preparation of a Federalism Assessment.

#### Unfunded Mandates

Title II of the Unfunded Mandates Reform Act of 1995 (UMRA) [Pub. L. 104-4, 109 Stat. 48] requires Federal agencies to assess the effects of certain regulatory actions on State, local, and tribal governments, and the private sector. UMRA requires a written statement of economic and regulatory alternatives for rules that contain Federal mandates. A "Federal mandate" is a new or additional enforceable duty imposed on any state, local, or tribal government, or the private sector. If any Federal mandate causes those entities to spend, in the aggregate, \$100 million or more in any one year, the UMRA analysis is required. This proposed rule does not impose Federal mandates on any State, local, or tribal governments, or the private sector.

#### Environment

The Coast Guard has considered the environmental impact of this proposal and concluded that under figure 2-1, paragraph 34(g), of Commandant Instruction M16475.1C, this proposal is categorically excluded from further environmental documentation. A written Categorical Exclusion Determination is available in the docket for inspection or copying where indicated under ADDRESSES.

#### Other Executive Orders on the Regulatory Process

In addition to the statutes and Executive Orders already addressed in this preamble, the Coast Guard considered the following executive orders in developing this proposed rule and reached the following conclusions:

E.O. 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights. This proposed rule will not effect a taking of private property or otherwise have taking implications under this Order.

E.O. 12875, Enhancing the Intergovernmental Partnership. This proposed rule will not impose, on any State, local, or tribal government, a mandate that is not required by statute and that is not funded by the Federal Government.

E.O. 12988, Civil Justice Reform. This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of this Order to minimize litigation, eliminate ambiguity, and reduce burden.

E.O. 13045, Protection of Children from Environmental Health Risks and Safety Risks. This proposed rule is not

an economically significant rule and does not concern an environmental risk to safety disproportionately affecting children.
